* A handling charge (HC) per stone applies in addition to the testing fee, to be paid to GRS Lab (Hong Kong) Limited as follows: 0.05% of the true insurance value of the stone (value provided by the clients), rounded up in increments of US\$ 10. **Example:** If the value of a stone to be tested is US\$ 25,000, a handling fee of US\$ 20 will be charged in addition to the report fee.

** Service only available at GRS laboratory in Central

Important: All services and service-options are subject to availability. GRS Lab (Hong Kong) Limited reserves the right to decline to conduct testing or to cancel an already submitted job at any time. The prices on the pricelist may be subject to change. Our Terms & Conditions form an integral part of this list. The printed reports are available approximately 5 days after testing has been completed.
