* Stones valued at over US\$ 100,000 are subject to a handling charge (HC) in addition to the testing fee. This charge, payable to GRS Lab (Hong Kong) Limited, is calculated at 0.05% of the true insurance value exceeding US\$ 100,000, as specified by clients. The handling charge is rounded up in increments of US\$ 10. For instance, if a stone's indicated value for testing is US\$ 125,000, an additional handling fee of US\$ 20 applies, in addition to the testing fee.

** Service only available at GRS laboratory in Central

Important: All services and service options are subject to availability. GRS Lab (Hong Kong) Limited reserves the right to refuse testing or cancel a previously submitted job at any time. Prices listed on the price list may be subject to change. Our Terms & Conditions are an integral part of this list. Printed reports will be accessible approximately 5-7 days after the completion of testing.

Turnaround times mentioned are for reference only and may be subject to change.
